

# All we got – Robin Schulz

This is all we got  
Dreaming 'bout a revolution in our minds  
This is all we got  
Lock me out of this life institution  
I am angry and high on illusions  
Yes, I hate, but hate's not a solution  
Trying my best, but hey, I'm just a human, oh  
We don't need to say we're sorry  
We don't need to worship heaven's art  
We don't need to say we're sorry  
So where's the love?  
This is all we got  
Dreaming 'bout a revolution in our minds  
This is all we got  
Talking 'bout our resolutions getting high  
We don't need a lot  
And we don't care if we fuck it up  
If it's what we got  
Then why not give it all we got?  
I can see in your eyes you're defeated  
Try to fool yourself 'til you believe it  
That you're better off numb and not feeling  
But there's a sky if you jump through the  
Ceiling, oh  
We don't need to say we're sorry  
We don't need to worship heaven's art  
We don't need to say we're sorry  
So where's the love?  
This is all we got  
Dreaming 'bout a revolution in our minds  
This is all we got  
Talking 'bout our resolutions getting high  
We don't need a lot  
And we don't care if we fuck it up  
If it's what we got  
Then why not give it all we got? (We got)

Then why not give it all we got? (We got)  
Lock me out of this life institution, no  
Trying my best, but hey, I'm just a human, oh  
We don't need to say we're sorry  
We don't need to say we're sorry  
So where's the love?  
This is all we got  
Dreaming 'bout a revolution in our minds  
This is all we got  
This is all we got  
Dreaming 'bout a revolution in our minds  
This is all we got  
Talking 'bout our resolutions getting high  
We don't need a lot  
And we don't care if we fuck it up  
If it's what we got  
Then why not give it all we got? (We got)  
Then why not give it all we got? (We got)  
Then why not give it all we got? (We got)
