Kn - Rockwell

You touched my life
With your softness in the night
My wish was your command
Until you ran out of love

I tell myself I'm free Got the chance of livin' just for me No need to hurry home Now that you're gone

CHORUS:

Knife
Cuts like a knife
How will I ever heal
I'm so deeply wounded
Knife
Cuts like a knife
You cut away the heart of my life

When I pretend
Wear a smile to fool my dearest friends
I wonder if they know
It's just a show

I'm on a stage
Day and night I go through my charades
But how can I disguise
What's in my eyes

CHORUS

Oh, oh Oh, oh, oh, oh Oh, oh, oh, oh I've tried and tried Blocking out the pain I feel inside The pain of wanting you Wanting you

Knife
Cuts like a knife
How will I ever heal
I'm so deeply wounded
[2X]

You cut away the heart Of my life
