

I dont wanna talk about it – Rod Stewart

I can tell by your eyes
That you've probably been cryin' forever
And the stars in the sky
Don't mean nothin' to you, they're a mirror
I don't want to talk about it,
how you broke my heart
If I stay here just a little bit longer
If I stay here, won't you listen
to my heart, whoa, heart?
If I stand all alone,
Will the shadow hide the color of my heart
Blue for the tears,
black for the night's
Fears The star in the sky
don't mean nothin' to you, they're a mirror
I don't want to talk about it,
how you broke my heart
If I stay here just a little bit longer
If I stay here, won't you listen
to my heart, whoa, heart?
to my heart, whoa, heart?
I don't want to talk about it,
how you broke this old heart
If I stay here just a little bit longer
If I stay here, won't you listen
to my heart, whoa, heart?
My heart, whoa, heart
