I don't want to talk about it - Rod Stewart

I can tell by your eyes That you've probably been cryin' forever And the stars in the sky Don't mean nothin' to you, they're a mirror I don't wanna talk about it How you broke my heart If I stay here just a little bit longer If I stay here, won't you listen to my heart? Oh, whoa, heart If I stand all alone Will the shadow hide the color of my heart? Blue for the tears, black for the night's Fears the stars in the sky Don't mean nothin' to you, they're a mirror I don't wanna talk about it How you broke my heart If I stay here just a little bit longer If I stay here, won't you listen to my heart? Oh, my heart I don't wanna talk about it How you broke this old heart If I stay here just a little bit longer If I stay here, won't you listen to my heart? Oh, my heart

My heart

Oh, my heart
