## I don't want to talk about it - Rod Stewart

I can tell by your eyes that you've prob'bly been cryin' Forever,

And the stars in the sky don't mean nothin' To you, they're a mirror

I don't want To talk about it, how you broke my heart If I stay here just a little bit longer,

If I stay here, won't you listen To my heart, Whoa, heart?

If I stand all alone, Will the shadow hide the colors of my heart; Blue for the tears, black for the night's fears

The star in the sky don't mean nothin' To you, They're a mirror

I don't want to Talk about it, how you broke my heart

If I stay here just a little bit longer, If I stay here, won't you listen To my heart, Whoa, heart?
My heart ohh my heart

I don't want to talk about it, How you broke my heart

If I stay here just a little bit longer, If I stay here, won't you listen To my heart, Whoa my heart?
