

# When i need you – Rod Stewart

When I need you  
I just close my eyes and I'm with you  
And all that I so want to give you  
It's only a heart beat away  
When I need love  
I hold out my hand and I touch love  
I never knew there was so much love  
Keeping me warm night and day  
Miles and miles of empty space in between us  
A telephone can't take the place  
Of your smile  
But you know I won't be traveling forever  
It's cold out but hold out and do like I do  
When I need you  
I just close my eyes and I'm with you  
And all that I so want to give you baby  
It's only a heart beat away  
It's not easy when the road is your driver  
Honey that's a heavy load that we bear  
But you know I won't be traveling a lifetime  
It's cold out so hold out and do like I do  
When I need you  
When I need love  
I hold out my hands and I touch love  
I never knew there was so much love  
Keeping me warm night and day  
When I need you  
I close my eyes  
I hold out my hand and I've got you darlin'  
It's only a heart beat away  
When I need you darlin'  
Just close my eyes and I'm with you  
And I need you tonight  
You know it's only a heart beat away
