## When i need you – Rod Stewart

When I need you I just close my eyes and I'm with you And all that I so want to give you It's only a heart beat away When I need love I hold out my hand and I touch love I never knew there was so much love Keeping me warm night and day Miles and miles of empty space in between us A telephone can't take the place Of your smile But you know I won't be traveling forever It's cold out but hold out and do like I do When I need you I just close my eyes and I'm with you And all that I so want to give you baby It's only a heart beat away It's not easy when the road is your driver Honey that's a heavy load that we bear But you know I won't be traveling a lifetime It's cold out so hold out and do like I do When I need you When I need love I hold out my hands and I touch love I never knew there was so much love Keeping me warm night and day When I need you I close my eyes I hold out my hand and I've got you darlin' It's only a heart beat away When I need you darlin' Just close my eyes and I'm with you And I need you tonight You know it's only a heart beat away
