

# I Really Want to Stay at Your House – Rosa Walton

I couldn't wait for you to come  
Clear the cupboards  
But now you're going to leave  
With nothing but a sign  
Another evening I'll be sitting  
Reading in  
Between  
Your lines  
Because I miss you all the time  
So, get away  
Another way to feel  
What you didn't want yourself to know  
And let yourself go  
You know you didn't lose your self-control  
Let's start at the rainbow  
Turn away  
Another way to be  
Where you didn't want yourself to go  
Let yourself go  
Is that a compromise?  
So, what do you wanna do  
What's your point-of-view?  
There's a party soon  
Do you wanna go?  
A handshake with you  
What's your point-of-view?  
I'm on top of you  
I don't wanna go  
'Cause I really wanna stay at your house  
And I hope this works out  
But you know how much you broke me apart  
I'm done with you  
I'm ignoring you  
I don't wanna know  
And I'm aware

That you were lying in the gutter  
'Cause I did everything  
To be there by your side-ide  
So, when you tell me I'm the reason  
I just can't  
Believe  
The lies  
And why do I so want to call you  
So, what do you wanna do  
What's your point-of-view?  
There's a party soon  
Do you wanna go?  
A handshake with you  
What's your point-of-view?  
I'm on top of you  
I don't wanna go  
'Cause I really wanna stay at your house  
And I hope this works out  
But you know how much you broke me apart  
I'm done with you  
I'm ignoring you  
I don't wanna know  
So, get away  
Another way to feel  
What you didn't want yourself to know  
And let yourself go  
You know you didn't lose your self-control  
Let's start at the rainbow  
Turn away  
Another way to be  
Where you didn't want yourself to go  
Let yourself go  
Is that a compromise?  
So, what do you wanna do  
What's your point-of-view?  
There's a party soon  
Do you wanna go?  
A handshake with you  
What's your point-of-view?  
I'm on top of you

I don't wanna go  
'Cause I really wanna stay at your house  
And I hope this works out  
But you know how much you broke me apart  
I'm done with you  
I'm ignoring you  
I don't wanna know
