

# It Must Have Been Love – Roxette

It must have been love  
But it's over now

Lay a whisper on my pillow  
Leave the winter on the ground  
I wake up lonely  
There's air of silence  
In the bedroom and all around

Touch me now  
I close my eyes and dream away

It must have been love, but it's over now  
It must have been good, but I lost it somehow  
It must have been love, but it's over now  
From the moment we touched, 'til the time had ran out

Make believing we're together  
That I'm sheltered by your heart  
But in and outside I've turn to water  
Like a teardrop in your palm

And it's a hard winters day  
I dream away

It must have been love, but it's over now  
It's all that I wanted, now I'm living without  
It must have been love, but it's over now  
It's where the water flows  
It's where the wind blows

It must have been love, but it's over now  
It must have been good, but I lost it somehow  
It must have been love, but it's over now  
From the moment we touched 'til the time had ran out

Yeah it must have been love, but it's all over now  
It's all that I wanted, now I'm living without  
It must have been love, but it's over now  
It's where the water flows  
It's where the wind blows  
Oohh
