

# It Must Have Been Love – Roxette

It must have been love  
But it's over now  
Lay a whisper  
On my pillow  
Leave the winter  
On the ground  
I wake up lonely  
There's air of silence  
In the bedroom  
And all around  
Touch me now  
I close my eyes  
And dream away  
It must have been love  
But it's over now  
It must have been good  
But I lost it somehow  
It must have been love  
But it's over now  
From the moment we touched  
'til the time had ran out  
Make believing  
We're together  
That I'm sheltered  
By your heart  
But in and outside  
I've turn to water  
Like a teardrop  
In your palm  
And it's a hard  
Winters day  
I dream away  
It must have been love  
But it's over now  
It is all that I wanted  
Now I'm living without

It must have been love  
But it's over now  
It's where the water flows  
It's where the wind blows  
It must have been love  
But it's over now  
It must have been good  
But I lost it somehow  
It must have been love  
But it's over now  
From the moment we touched  
'til the time had ran out  
Yeah it must have been love  
But it's all over now  
It is all that I wanted  
Now I'm living without  
It must have been love  
But it's over now  
It's where the water flows  
It's where the wind blows  
Oohh  
Now I'm lost  
Now I'm lost
