

# Listen to Your Heart – Roxette

I know there's something  
In the wake of your smile  
I get a notion from the look  
In your eyes, yeah  
You've built a love  
But that love falls apart  
Your little piece of heaven  
Turns too dark  
Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going  
And I don't know why  
Listen to your heart  
Before you tell him goodbye  
Sometimes you wonder  
If this fight is worthwhile  
The precious moments are  
All lost in the tide, yeah  
They're swept away  
And nothing is what it seems  
The feeling of belonging  
To your dreams  
Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going  
And I don't know why  
Listen to your heart  
Before you tell him goodbye  
And there are voices  
That want to be heard  
So much to mention  
But you can't find the words

The scent of magic  
The beauty that's been  
When love was wilder than the wind  
Listen to your heart  
(Take a listen to it)  
When he's calling for you  
Listen to your heart  
(Take a listen)  
Nothing else you can do  
I don't know where you're going  
And I don't know why  
Listen to your heart  
Before, uhh  
Listen to your heart  
(Take a listen)  
When he's calling for you  
Listen to your heart  
(Take a listen)  
Nothing else you can do  
I don't know where you're going  
And I don't know why  
Listen to your heart  
Before  
You tell him goodbye
