

Listen to Your Heart – Roxette

I know there's something in the wake of your smile
I get a notion from the look in your eyes, yeah
You've built a love
But that love falls apart
Your little piece of Heaven
Turns too dark

Listen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can do
I don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbye

Sometimes you wonder if this fight is worthwhile
The precious moments are all lost in the tide, yeah
They're swept away
And nothing is what it seems
The feeling of belonging
To your dreams

Listen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can do
I don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbye

And there are voices that want to be heard
So much to mention but you can't find the words
The scent of magic, the beauty that's been
When love was wilder than the wind

Listen to your heart
Take a listen to it when he's calling for you
Listen to your heart
Take a listen to it there's nothing else you can do
I don't know where you're going
And I don't know why
But listen to your heart
Before, uhh
Listen to your heart
Take a listen to it when he's calling for you
Listen to your heart
Take a listen to it there's nothing else you can do
I don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbye

Uhh, take a listen to it
Ha-ha-aa
Take a, take a listen to it
Yeah yeaah
Haa ooo, haa ouu
Haa ooo, uuu haaa
Haa ooo, haa ouu
Haa ooooo
Haa ooo, haa ouu
Haa ooooo
Oooh yeah
