

# Listen to Your Heart – Roxette

I know there's something in the wake of your smile  
I get a notion from the look in your eyes, yeah  
You've built a love  
But that love falls apart  
Your little piece of Heaven  
Turns too dark

Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going  
And I don't know why  
But listen to your heart  
Before you tell him goodbye

Sometimes you wonder if this fight is worthwhile  
The precious moments are all lost in the tide, yeah  
They're swept away  
And nothing is what it seems  
The feeling of belonging  
To your dreams

Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going  
And I don't know why  
But listen to your heart  
Before you tell him goodbye

And there are voices that want to be heard  
So much to mention but you can't find the words  
The scent of magic, the beauty that's been  
When love was wilder than the wind

Listen to your heart  
Take a listen to it when he's calling for you  
Listen to your heart  
Take a listen to it there's nothing else you can do  
I don't know where you're going  
And I don't know why  
But listen to your heart  
Before, uhh  
Listen to your heart  
Take a listen to it when he's calling for you  
Listen to your heart  
Take a listen to it there's nothing else you can do  
I don't know where you're going  
And I don't know why  
But listen to your heart  
Before you tell him goodbye

Uhh, take a listen to it  
Ha-ha-aa  
Take a, take a listen to it  
Yeah yeaah  
Haa ooo, haa ouu  
Haa ooo, uuu haaa  
Haa ooo, haa ouu  
Haa ooooo  
Haa ooo, haa ouu  
Haa ooooo  
Oooh yeah
