

# Listen to your heart – Roxette

I know there's something in the wake of your smile  
I get a notion from the look in your eyes, yea  
You've built a love but that love falls apart  
Your little piece of heaven turns too dark

Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going  
And I don't know why,  
But listen to your heart  
Before you tell him goodbye

Sometimes you wonder if this fight is worthwhile  
The precious moments are all lost in the tide, yea  
They're swept away and nothing is what it seems,  
The feeling of belonging to your dreams

Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going  
And I don't know why,  
But listen to your heart  
Before you tell him goodbye

And there are voices  
That want to be heard  
So much to mention  
But you can't find the words  
The scent of magic,  
The beauty that's been  
When love was wilder than the wind

Listen to your heart  
When he's calling for you  
Listen to your heart  
There's nothing else you can do  
I don't know where you're going  
And I don't know why,  
But listen to your heart  
Before you tell him goodbye

Listen to your heart, mm-mmmmmm

I don't know where you're going  
And I don't know why,  
But listen to your heart  
Before you tell him goodbye
