

The Sweet Hallo, The Sad Goodbye – Roxette

Red like fire was the day I met you
I tell you now, there's no regrets
In this room, there are many memories
Some are good, some, I try to forget
I thought we were the chosen ones
Who were supposed to fly
We're very much the same, you and I
(The sweet hello, the sad goodbye)
Still waiting to get hurt, time after time
(The sweet hello, the sad goodbye)
When love lies in our hands,
We seem to run and hide
And I can't help but wonder why
The sweet hello, the sad goodbye
My heart was like a runaway train, girl
I don't believe I've ever felt more alive
In this room, I hear voices linger
You never talked about the pride
You know you're not the only one
Who know how to cry, oh-oh
We're very much the same, you and I
(The sweet hello, the sad goodbye)
Still waiting to get hurt, time after time
(The sweet hello, the sad goodbye)
When love lies in our hands,
We run away and hide
And I can't help but wonder why
The sweet hello, the sad goodbye
The sweet hello, the sad goodbye
We're very much the same, you and I
(The sweet hello, the sad goodbye)
Still waiting to get hurt, time after time
(The sweet hello, the sad goodbye)
When love lies in our hands,
We run away and hide
And I can't help but wonder why

The sweet hello, the sad goodbye
The sweet hello, the sad goodbye
The sweet hello, the sad goodbye
The sweet hello, the sad goodbye
The sweet hello
