

# Lay Low – Roxie

Boy you got a hold on me  
Gotta say, gotta say it out loud  
Novacaning on my brain  
Though I like it  
Yeah I like it I like it I like it

I ain't never been here before  
So used to boys, always chasing me down  
Shooting straight for ya  
Yeah you like it  
Yeah you like it you like it you like it

O o o o  
We can run with shadows  
O o o o  
Won't be cold in the shallows  
Wanna lay low lay low lay low

When your body knows  
Yea your body knows  
Yeah you do  
(Wanna put it on you)  
Yeah you do  
(I wanna put it on you)

You got me exposed  
Yeah you got me exposed  
Yeah you do  
(Wanna put it on you)  
Yeah you do  
(I wanna put it on you)

And let's lay low and do it over  
And do it over

Boy you got me up until morning

Thinking bout ya it's messing me around  
You're a feen in my veins  
Though I like it  
Yeah I like it I like it I like it

Yeah you got me tripping up on ya  
Will you stand, will you ever stand still?  
Let me scream out your name  
Yeah you like it  
Yeah you like it you like it you like it

O o o o  
We can run with shadows  
O o o o  
Won't be cold in the shallows  
Wanna lay low lay low lay low

When your body knows  
Yea your body knows  
Yeah you do  
(Wanna put it on you)  
Yeah you do  
(I wanna put it on you)

You got me exposed  
Yeah you got me exposed  
Yeah you do  
(Wanna put it on you)  
Yeah you do  
(I Wanna wana put it on you)

And let's lay low and do it over  
And do it over  
And do it over  
And do it over  
Aaah!
