

California Blue – Roy Orbison

Working all day
And the sun don't shine
Trying to get by
And I'm just killing time
I feel the rain
Fall the whole night through
Far away from you, California blue
California blue
Dreaming all alone
Nothing else to do
California blue
Everyday I pray
I'll be on my way
Saving love for you, California blue
One sunny day,
I'll get back again
Somehow, someway
But I don't know when
California blue, California blue
Living my life
With you on my mind
Thinking of things
That I left far behind
It's been so long
Doing all I can do
To get back to you, California blue
California blue (California blue)
Dreaming all alone (California blue)
Nothing else to do (California blue)
California blue
Everyday I pray
I'll be on my way
Saving love for you, California blue
One sunny day
I'll get back again
Somehow, someway

But I don't know when
California blue, California blue
Still missing you, California blue
Still missing you, California blue
Still missing you, California blue
