

I Drove All Night – Roy Orbison

I had to escape,
The city was sticky and cruel
Maybe I should have called you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead, uh-huh, yeah
Could taste your sweet kisses,
Your arms open wide This fever for you
Was just burning me up inside
I drove all night to get to you
Is that all right?
I drove all night, crept in your room
Woke you from your sleep to make love to you
Is that all right?
I drove all night
What in this world keeps us
From falling apart?
No matter where I go
I hear the beating of our one heart
I think about you
When the night is cold and dark, uh-huh, yeah
No one can move me the way that you do
Nothing erases
This feeling between me and you
I drove all night to get to you
Is that all right?
I drove all night, crept in your room
Woke you from your sleep to make love to you
Is that all right?
I drove all night
Could taste your sweet kisses,
Your arms open wide
This fever for you
Was just burning me up inside
I drove all night to get to you
Is that all right?

I drove all night, crept in your room
Is that all right?
I drove all night
I drove all night to get to you
Is that all right?
I drove all night
