

Trouble's Coming – Royal Blood

I gave my knuckles a run for their money, spider web
Cracks on the mirror, I see someone but not somebody

If I could then I would

If I could then I would

If I could

I let my demons take hold and **CHOKES ON ME**

Can't **FILL** these holes that I'm digging

Can't **STOP** my heart when it's sinking

BUT If I could then I would

If I could then I would

If I could

IF I COULD YOU don't think I would pretend

Troubles coming but I still don't know when

That's the voice that I can hear in my head

I hear it over and over again

I hear trouble coming, over and over again

In my reflection I see signs of psychosis

I try to pay them no attention

Can't keep them under the surface

If I could then I would

If I could then I would

If I could

IF I COULD YOU don't think I would pretend

Troubles coming but I still don't know when

That's the voice that I can hear in my head

I hear it over and over again

I hear trouble coming, over and over again

I can't wait forever

Cause I don't have the time left to spend

Wishing I was someone better

Wishing I could start all over again

I hear trouble coming, I hear trouble coming

Over and over again

IF I COULD YOU don't think I would pretend

Troubles coming but I still don't know when

That's the voice that I can hear in my head

I hear it over and over again
I hear trouble coming, I hear trouble coming
Over and over again
