

# Something in my heart – Royksopp

You say that time can't heal

Broken heart you stole

I don't know what's real

You are what I can't be

You are what I can't be

You say that time can't heal

Broken heart you stole

I don't know what's real

You are what I can't feel

You are what I can't feel

[Chorus]

Ooohh, something in my heart

Something in my heart

Makes me miss you more

Ooohh, something in my heart

Something in my heart

Makes me miss you more

Say that time can't heal

Broken heart you stole

I don't know what's real

I don't know what's real
