

Calling you – Różni wykonawcy

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little café just around the bend

I am calling you
I know you hear me
I am calling you

A hot dry wind blows right thru me
The baby's crying and I can't sleep
But we both know a change is coming
It's coming closer, sweet release

I am calling you
I know you hear me
I am calling you
Oh yes baby I do
Can't you hear me now

I am calling you
I know you hear me
I am calling you

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs a little fixing
In a little café just around the bend

I am calling you
Yeah, I
I am calling you
Can't you hear me
Can't you hear me now?
