

Silent night Cicha Noc – Różni wykonawcy

1 Silent night, holy night
Everything sleeps, at least
Joseph and Mary watch
So let their God be their child
He is asleep in peace
He is asleep in peace

2 Silent night, holy night
Hello, we want to leave
To you shepherd declared,
By the Angels, "Gloria"
Jesus welcomes you
Jesus welcomes you

3 Silent night, holy night
Our God, you have hearts,
Joy brings us a message,
That the hour has come,
In which one was born
In which one was born

4 Silent night, holy night
Peace carries people everywhere,
And at the nursery Christmas Mother
She's smiling, smiling,
Over the baby sleeping,
Baby on the bed
