

# What the world needs now is love – Rumer

Lord, we don't need another mountain  
There are mountains and hillsides enough  
To climb  
There are oceans and rivers enough to cross  
Enough to last 'till the end of time  
What the world needs now is love, sweet love  
It's the only thing that there's just  
Too little of  
What the world needs now is love, sweet love  
No, not just for some but for everyone  
Lord, we don't need another meadow  
There are cornfields and wheat fields  
Enough to grow  
There are sunbeams and moonbeams enough  
To shine  
Oh, listen, lord, if you want to know  
What the world needs now is love, sweet love  
It's the only thing that there's just  
Too little of  
What the world needs now is love, sweet love  
No, not just for some, oh, but just  
For ever, every, everyone
