

# Dance With The Wolves – Ruslana

You make me angry,  
You drive me crazy,  
The more I care for you  
The more I'm over you  
You make me feel pain,  
You make me love in vain,  
The more I'm getting close  
The more I walk away  
I won't be back,  
Don't wait for me  
Hey, this is it now,  
Hey, this is it now  
I'm on a track,  
Don't look for me,  
Hey, this is it now,  
Hey this is it now...  
I'm not gonna cry,  
I'll stay in the woods,  
When my heart is aching  
I dance with the wolves  
I'm not gonna try  
To mess with my rules,  
When my heart is breaking  
I dance with the wolves  
You think you know me,  
Think you control me,  
The more you feel you're right,  
The more you're going wrong  
Don't say you got me,  
You don't know anything about me,  
The more you make me weak  
The more I'm getting strong  
I won't be back,  
Don't wait for me  
Hey, this is it now,  
Hey, this is it now,

I'm on a track,  
Don't look for me,  
Hey, this is it now,  
Hey, this is it now,  
I'm not gonna cry,  
I'll stay in the woods,  
When my heart is aching  
I dance with the wolves  
I'm not gonna try  
To mess with my rules,  
When my heart is breaking  
I dance with the wolves  
No way...  
Hey, go ahead,  
Dance, my wolves,  
Hey, go ahead,  
Dance with me  
Hey, go ahead,  
Dance, my wolves,  
Hey, go wild,  
Dance with me!
