

# Last train home – Ryan Star

You haven't changed Stand in the light,  
I need to see you, uncover my eyes  
The tears coming down,  
Making lines on your face  
One for each year, now that you've been away  
We were only kids, we ran like water  
Your dad said, stay away from my daughter  
The sun was coming down  
When I said, can't you just believe?  
And if you wait for me,  
I'll be the light  
In the dark if you lose your way  
And if you wait for me,  
I'll be your voice  
When you don't know what to say  
I'll be your shelter, I'll be your fate  
I'll be forever, wait for me  
I'll be the last train,  
I'll be the last train home  
You were a storm, it blew us away  
I wouldn't leave you, but you couldn't stay  
We were only kids, we ran like water  
Your dad said, stay away from my daughter  
The sun was coming down  
When I said, can't you just believe?  
And if you wait for me,  
I'll be the light in the dark  
If you lose your way And if you wait for me,  
I'll be your voice  
When you don't know what to say  
I'll be your shelter,  
I'll be your fate  
I'll be forever, wait for me  
I'll be the last train,  
I'll be the last train home  
We were only kids, we ran like water

I told your dad, I love your daughter  
The sun was coming down  
When I said, Hallie just believe  
And if you wait for me,  
I'll be the light  
In the dark if you lose your way  
And if you wait for me,  
I'll be your voice  
When you don't know what to say  
I'll be your shelter,  
I'll be your fate  
I'll be forever, wait for me  
I'll be the last train,  
I'll be the last train,  
Hold on to love, and wait for me  
I'll be the last train,  
I'll be the last train home  
I'll be the last train,  
I'll be your last train home
