

Last train home – Ryan Star

You haven't changed Stand in the light,
I need to see you, uncover my eyes
The tears coming down,
Making lines on your face
One for each year, now that you've been away
We were only kids, we ran like water
Your dad said, stay away from my daughter
The sun was coming down
When I said, can't you just believe?
And if you wait for me,
I'll be the light
In the dark if you lose your way
And if you wait for me,
I'll be your voice
When you don't know what to say
I'll be your shelter, I'll be your fate
I'll be forever, wait for me
I'll be the last train,
I'll be the last train home
You were a storm, it blew us away
I wouldn't leave you, but you couldn't stay
We were only kids, we ran like water
Your dad said, stay away from my daughter
The sun was coming down
When I said, can't you just believe?
And if you wait for me,
I'll be the light in the dark
If you lose your way And if you wait for me,
I'll be your voice
When you don't know what to say
I'll be your shelter,
I'll be your fate
I'll be forever, wait for me
I'll be the last train,
I'll be the last train home
We were only kids, we ran like water

I told your dad, I love your daughter
The sun was coming down
When I said, Hallie just believe
And if you wait for me,
I'll be the light
In the dark if you lose your way
And if you wait for me,
I'll be your voice
When you don't know what to say
I'll be your shelter,
I'll be your fate
I'll be forever, wait for me
I'll be the last train,
I'll be the last train,
Hold on to love, and wait for me
I'll be the last train,
I'll be the last train home
I'll be the last train,
I'll be your last train home
