

## Never had a dream come true – S club 7

Everybody's got something  
They had to leave behind  
One regret from yesterday  
That just seems to grow with time  
There's no use looking back, or wondering  
How it could be now or might've been  
All this I know  
But still I can't find ways to let you go  
I never had a dream come true  
'Til the day that I found you  
Even though I pretend that I've moved on  
You'll always be my baby  
I never found the words to say  
You're the one I think about each day  
And I know no matter where life takes me to  
A part of me will always be with you  
Somewhere in my memory  
I've lost all sense of time  
And tomorrow can never be  
'Cause yesterday is all that fills my mind  
There's no use looking back, oh wondering  
How it should be, now oh might've been  
All this I know  
But, still I can't find ways to let you go  
I never had a dream come true  
'Til the day that I found you  
Even though I pretend that I've moved on  
You'll always be my baby  
I never found the words to say  
You're the one I think about each day  
And I know no matter where life takes me to  
A part of me will always be  
You'll always be the dream that fills my head  
Yes you will  
Say you will  
You know you will oh baby

You'll always be the one I know  
I'll never forget  
There's no use looking back, oh wondering  
Because love is a strange and funny thing  
No matter how hard I try and try  
I just can't say good bye  
No no no no  
I never had a dream come true  
'Til the day that I found you  
Even though I pretend that I've moved on  
You'll always be my baby  
I never found the words to say  
You're the one I think about each day  
And I know no matter where life takes me to  
A part of me will always be  
A part of me will always be with you
