

Let Me Move You – Sabrina Carpenter

Said there's nothing that we can't do when
We're dancing
I can feel the music more when I'm with you
With your hands on me,
I feel my heartbeat racing
Now
Had to let go of everything that I've known
Before-ore-ore
One, two, three, come with me
We can work it differently
One, two, three,
And dance with me tonight (tonight)
And maybe all our dreams are coming true
And, baby, I can feel you feel it, too
So just let me move you (umm)
One, two, three, come with me
We can work it differently
Said one, two, three, and dance with me
Tonight (tonight)
And maybe all our dreams are coming true
And, baby, I can feel you feel it, too
So just let me move you
Let me move you
Yeah, little faster, little slower,
It don't matter
'Cause I never known myself this good till
Now
And I hope you know it's changing me forever
Forever
Had to let go of everything that I've known
Before-ore-ore
One, two, three, come with me
We can work it differently
One, two, three,
And dance with me tonight (tonight)
And maybe all our dreams are coming true

And, baby, I can feel you feel it, too
So just let me move you (umm)
One, two, three, come with me
We can work it differently
Said one, two, three, and dance with me
Tonight (tonight)
And maybe all our dreams are coming true
And, baby, I can feel you feel it, too
So just let me move you
Let me move you
