Please Please - Sabrina Carpenter

I know I have good judgement
I know I have good taste
It's funny and it's ironic
That only I feel that way
I promise 'em that you're different
And everyone makes mistakes
But just don't

I heard that you're an actor
So act like a stand up guy
Whatever devils inside you
Don't let him out tonight
I tell them it's just your culture
And everyone rolls their eyes
Yeah I know

All I'm asking baby

Please, please, please
Don't prove I'm right
Please, please, please
Don't bring me to tears
When I just did my make-up so nice
Heartbreak is one thing
My egos another
I beg you don't embarrass me
Mother fucker, ahhh
Please, please, please

Well, I have a fun idea babe
Maybe just stay inside
I know you're craving some fresh air
But the ceiling fan is so nice
And we could live so happily
If no one knows that you're with me
I'm just kidding

But really Really Really

Please, please, please
Don't prove I'm right
Please, please, please
Don't bring me to tears
When I just did my make-up so nice
Heartbreak is one thing
My egos another
I beg you don't embarrass me
Mother fucker, ahhh
Please, please, please

If you wanna go and be stupid
Don't do it in front of me
If you don't wanna cry to my music
Don't make me hate you prolifically
Please, please, please
Please
Please
Please
Please
