

Taste – Sabrina Carpenter

Oh I leave quite an impression
Five feet to be exact
You're wondering
Why half his clothes went missing
My bodies where they're at
Now I'm gone but you're still layin'
Next to me one degree of separation

I heard you're back together
And if that's true
You'll just have to taste me
When he's kissing you
If you want forever and I bet you do
Just know you'll taste me too

Uh-huh

He pins you down on the carpet
Makes paintings with his tongue
He's funny now all his jokes hit different
Guess who he learned that from
Now I'm gone but you're still layin'
Next to me one degree of separation

I heard you're back together
And if that's true
You'll just have to taste me
When he's kissing you
If you want forever and I bet you do
Just know you'll taste me too

Every time you close your eyes
And feel his lips you're feelin' mine
And every time you breathe his air
Just know I was already there
You can have him if you like

I've been there done that once or twice
And singin' 'bout it don't mean I care
Yeah I know I've been known to share

Well I heard you're back together
And if that's true
You'll just have to taste me
When he's kissing you
If you want forever and I bet you do
Just know you'll taste me too

Taste me too
You'll just have to taste me
When he's kissing you, ohh
Yeah
You'll just have to taste me
When he's kissing you
