

Tears – Sabrina Carpenter

Mm

Mm-hmm

I get wet at the thought of you
Being a responsible guy
Treating me like you're supposed to do
Tears run down my thighs

A little initiative can go a very long, long way
Baby, just do the dishes, I'll give you what you
What you want
A little communication, yes, that's my ideal foreplay
Assemble a chair from IKEA, I'm like, "Uh"

I get wet at the thought of you
Being a responsible guy
Treating me like you're supposed to do
Tears run down my thighs

A little respect for women can get you very, very far
Remembering how to use your phone gets me oh so, oh so, oh so hot
Considering I have feelings, I'm like, "Why are my clothes still on?"
Offering to do anything, I'm like, "Oh my God"

I get wet at the thought of you
Being a responsible guy
Treating me like you're supposed to do
Tears run down my thighs

I get wet at the thought of you
Being a responsible guy
Treating me like you're supposed to do
Tears run down my thighs

No
So responsible

No

I get wet at the thought of you

Being a responsible guy

Treating me like you're supposed to do (Uh-huh)

Tears run down my thighs
