

King of sorrow – Sade

I'm crying everyone's tears and there inside
our private war i died the night before
And all of these remnants of joy and disaster
what am i supposed to do
I want to cook you a soup
That warms your soul
But nothing would change
Nothing would change at all
It's just a day that brings it all about
just another day and nothing's any good
The dj's playing the same song
i have so much to do i have to carry on
i wonder if this grief will ever let me go
i feel like i am the king of sorrow
The king of sorrow
I suppose i could just walk away will
I disappoint my future if i stay it's
Just a day that brings it all about
just another day and nothing's any good
the dj's playing the same song
i have so much to do i have to carry on
i wonedr will this grief ever be gone
will it ever go i'm the king of sorrow
the king of sorrow
I'm crying everyone's tears
I have already paid for all my future sins
There's nothing anyone
Can say to take this away
It's just another day and nothing's any good
i'm the king of sorrow king of sorrow
