## King of sorrow - Sade

I'm crying everyone's tears and there inside our private war i died the night before And all of these remnants of joy and disaster what am i supposed to do I want to cook you a soup That warms your soul But nothing would change Nothing would change at all It's just a day that brings it all about just another day and nothing's any good The dj's playing the same song i have so much to do i have to carry on i wonder if this grief will ever let me go i feel like i am the king of sorrow The king of sorrow I suppose i could just walk away will I disappoint my future if i stay it's Just a day that brings it all about just another day and nothing's any good the dj's playing the same song i have so much to do i have to carry on i wonedr will this grief ever be gone will it ever go i'm the king of sorrow the king of sorrow I'm crying everyone's tears I have already paid for all my future sins There's nothing anyone Can say to take this away It's just another day and nothing's any good i'm the king of sorrow king of sorrow
