

Space Man – Sam Ryder

If I was an astronaut
I'd be floating in mid-air
And a broken heart would just belong
To someone else down there
I would be the centre of my lonely universe
But I'm only human
And I'm crashing down to earth
If I was an astronaut
I'd have a bird's eye view
I'd circle 'round the world and
Keep on coming back to you
In my floating castle
I'd rub shoulders with the stars
But I'm only human
And I'm drifting in the dark
I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go home
If I was an astronaut
I'd speak to satellites
My navigation systems
Would search for other life
But I'd be up here thinking 'bout
What I left behind
'Cause I'm only human
With the real world on my mind
I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go home
Gravity keeps pulling me down

As long as you're on the ground
I'll stick around
Stick around
I'll stick around
I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man, no
Oh, I'm in the wrong place, man
Nothing but, nothing but, nothing but
Nothing but space, man
Nothing but, nothing but, nothing but
Nothing but space, man
I've searched around the universe
Been down some black holes
Nothing but space, man
And I wanna go home
