

# Diamonds – Sam Smith

Have it all  
Rip our memories off the wall  
All the special things I bought  
They mean nothing to me anymore  
But to you  
They were everything we were  
They meant more than every word  
Now I know just what you love me for  
Take all the money you want from me  
Hope you become what you want to be  
Show me how little you care  
How little you care, how little you care  
You dream of glitter and gold  
My heart's already been sold  
Show you how little I care  
How little I care, how little I care  
My diamonds leave with you  
You're never gonna hear my heart break  
Never gonna move in dark ways  
Baby, you're so cruel  
My diamonds leave with you  
Material love won't fool me  
When you're not here I can breathe  
Think I always knew  
My diamonds leave with you  
(Diamonds, diamonds, diamonds, diamonds)  
Shake it off  
Shake the fear of feeling lost  
Always me that pays the cost  
I should never trust so easily  
You lied to me, lie-lied to me  
Then left with my heart 'round your chest  
Take all the money you want from me  
Hope you become what you want to be  
Show me how little you care  
How little you care, how little you care

You dream of glitter and gold  
My heart's already been sold  
Show you how little I care  
How little I care, how little I care  
My diamonds leave with you  
You're never gonna hear my heart break  
Never gonna move in dark ways  
Baby, you're so cruel  
My diamonds leave with you  
Material love won't fool me  
When you're not here I can breathe  
Think I always knew  
My diamonds leave with you  
Diamonds, diamonds, diamonds, diamonds (woah-oh)  
Diamonds, diamonds, diamonds, diamonds (woah-oh)  
Diamonds, diamonds, diamonds, diamonds  
Always knew, my diamonds leave with you  
Diamonds, diamonds, diamonds, diamonds (woah-oh)  
Diamonds, diamonds, diamonds, diamonds (woah-oh)  
Diamonds, diamonds, diamonds, diamonds  
Always knew  
Diamonds, diamonds, diamonds, diamonds  
You're never gonna hear my heart break  
Never gonna move in dark ways  
Baby, you're so cruel  
My diamonds leave with you  
Material love won't fool me  
When you're not here I can breathe  
Think I always knew  
My diamonds leave with you, oh  
You're never gonna hear my heart break  
Never gonna move in dark ways (oh-oh)  
Baby, you're so cruel (so cruel)  
My diamonds leave with you  
Material love won't fool me  
When you're not here I can breathe  
Think I always knew  
My diamonds leave with you  
Diamonds, diamonds, diamonds, diamonds (woah-oh)  
Diamonds, diamonds, diamonds, diamonds (woah-oh)

Diamonds, diamonds, diamonds, diamonds  
Always knew, my diamonds leave with you  
Diamonds, diamonds, diamonds, diamonds (woah-oh)  
Diamonds, diamonds, diamonds, diamonds (woah-oh)  
Diamonds, diamonds, diamonds, diamonds  
Always knew, my diamonds leave with you  
Diamonds, diamonds, diamonds, diamonds  
Diamonds, diamonds, diamonds, diamonds
