

Fire on fire – Sam Smith

My mother said I'm too romantic
She said 'You're dancing in the movies'
I only started to believe her
Then I saw you and I knew
Maybe it's 'cause I got a little bit older
Maybe it's all that I've been through
I'd like to think it's how you lean on my shoulder
And how I see myself with you

I don't say a word
But still you take my breath and steal the things I know
There you go
Saving me from out of the cold

Fire on fire
Would normally kill us
But this much desire
Together we're winners
They say that we're out of control
And some say we're sinners
But don't let them ruin
Our beautiful rhythms
'Cause when you unfold me
And tell me you love me
And look in my eye
You are perfection
My only direction
It's fire on fire
It's fire on fire

When we fight, we fight like lions
But then we love and feel the truth
We lose our minds in a city of roses
We won't abide by any rules

I don't say a word

But still you take my breath and steal the things I know

There you go

Saving me from out of the cold

Fire on fire

Would normally kill us

But this much desire

Together we're winners

They say that we're out of control

And some say we're sinners

But don't let them ruin

Our beautiful rhythms

'Cause when you unfold me

And tell me you love me

And look in my eye

You are perfection

My only direction

It's fire on fire

Oh

It's fire on fire

Fire on fire

Would normally kill us

But this much desire

Together we're winners

They say that we're out of control

And some say we're sinners

But don't let them ruin

Our beautiful rhythms

Fire on fire

Would normally kill us

But this much desire

Together we're winners

They say that we're out of control

And some say we're sinners

But don't let them ruin

Our beautiful rhythms

'Cause when you unfold me

And tell me you love me
And look in my eye
You are perfection
My only direction
It's fire on fire

You are perfection
My only direction
It's fire on fire
