

How do you sleep – Sam Smith

I'm done hating myself for feelin'
I'm done crying myself awake
I've gotta leave and start the healin'
But when you move like that,
I just wanna to stay
What have I become now?
Looking through your phone now, oh no
Love to you is just a game
Look what I have done now
Dialing up the numbers on you
I don't want my heart to break
Baby, How Do You Sleep when you lie to me?
All that shame and all that danger
I'm hoping that my love
Will keep you up tonight
Baby, How Do You Sleep when you lie to me?
All that fear and all that pressure
I'm hoping that my love
Will keep you up tonight
Tell me how do you
Ohah ohah oooo how do you lie to me
Ohah ohah oooo yeah
Oh no, how did I manage to lose me?
I am not this desperate, not this crazy
Yeah, There's no way
I'm sticking around to find out
I won't lose like that, I won't lose myself
Look what I have done now
Dialing up the numbers on you
I don't want my heart to break
Baby, How Do You Sleep when you lie to me?
All that shame and all that danger
I'm hoping that my love
Will keep you up tonight
Baby, How Do You Sleep when you lie to me?
All that fear and all that pressure

I'm hoping that my love
Will keep you up tonight
Tell me how do you (Yeah)
Yeah, yeah, yeah
Love will keep you up tonight
Tell me how do you
Oh, love will keep you up tonight
Baby, How Do You Sleep when you lie to me?
All that shame and all that danger
I'm hoping that my love
Will keep you up tonight
