

# Lay me down – Sam Smith

Yes, I do, I believe  
That one day I will be where I was  
Right there, right next to you  
And it's hard, the days just seem so dark  
The moon and the stars are nothing without you

Your touch, your skin,  
Where do I begin?  
No words can explain the way I'm missing you  
Deny this emptiness, this hole that I'm inside  
These tears, they tell their own story

You told me not to cry when you were gone  
But the feelings overwhelming, it's much too strong

Can I lay by your side, next to you, you  
And make sure you're alright?  
I'll take care of you,  
And I don't want to be here if I can't be with you tonight

I'm reaching out to you  
Can you hear my call?  
This hurt that I've been through  
I'm missing you, I'm missing you like crazy, you

Can I lay by your side, next to you, you  
And make sure you're alright?  
I'll take care of you,  
And I don't wanna be here if I can't be with you tonight

Lay me down tonight, lay me by your side  
Lay me down tonight, lay me by your side

Can I lay by your side, next to you, you?
