

# Play with fire – Sam Tinnesz

Insane, inside  
The danger gets me high  
Can't help myself  
Got secrets I can't tell  
I love the smell of gasoline  
I light the match to taste the heat  
I've always liked to play with fire  
Play with fire  
I've always liked to play with fire  
I ride the edge  
My speed goes in the red  
Hot blood, these veins  
My pleasure is their pain  
I love to watch the castles burn  
These golden ashes turn to dirt  
I've always liked to play with fire  
Play with fire  
Play with fire  
Fire, fire  
I've always liked to play with fire  
Oh,  
Watching as the flames get higher  
Oh,  
I've always liked to play with  
Rite of passage, classic havoc  
Match in the gas tank, ooh, that's wretched  
Unstoppable, legendary animal  
Digital justice, now you're gonna know us  
Hail to the king and queen of the ruckus  
Yacht Money wired, no denying  
I've always liked to play with fire  
Play with fire  
Play with fire  
Fire, fire  
Always liked to play with
