

# Just a dream – Sam Tsui & Christina Grimmie

I was thinking about you  
Think about me  
Think about us  
What we gonna be  
Open my eyes  
It was only just a dream  
Travel back  
Down the road  
Will come back  
No one knows  
I realize  
It was only just a dream  
I was at the top and i was like i'm at the basement  
Number one spot and now you found your own replacement  
I swear now that i can't take it  
Knowing somebody's got my baby  
And now you ain't around, baby i can't think  
Shoulda put it down shoulda got that ring  
Cuz i can still feel it in the air  
See your pretty face run my fingers through your hair  
My lover, my life  
My baby, my wife  
You left me, i'm tied  
Cuz i knew that it just ain't right  
I was thinking about you  
Think about me  
Think about us  
What we gonna be  
Open my eyes  
It was only just a dream  
Travel back  
Down the road  
Will come back  
No one knows  
I realize  
It was only just a dream

When i'm ridin i swear i see your face at every turn  
I'm tryin to get my usher on, but i can let it burn  
And i just hope you'll know you're the only one i yearn  
For  
No wonder i'll be missing when i'll learn  
Didn't give you all my love, i guess now i got my payback  
Now i'm in the club thinkin all about you baby  
Hey, you was so easy to love  
But wait  
I guess that love wasn't enough  
I'm goin through it every time that i'm alone  
And now i'm wishing she'd pick up the phone  
But she made a decision that she wanted to move one  
Cuz i was wrong  
I was thinking about you  
Think about me  
Think about us  
What we gonna be  
Open my eyes  
It was only just a dream  
So travel back  
Down the road  
Will come back  
No one knows  
I realize  
It was only just a dream  
If you ever loved somebody put your hands up  
If you ever loved somebody put your hands up  
And now they're gone and you wish you could give them  
Everything  
Ohh, if you ever loved somebody put your hands up  
(if you ever loved somebody put your hands up)  
If you ever loved somebody put your hands up  
(if you ever loved somebody put your hands up)  
And now they're gone and you wish you could give them
