

# Touch Me – Samantha Fox

Full moon in the city and the night was young  
I was hungry for love, I was hungry for fun  
I was hunting you down, and I was the bait  
When I saw you there, I didn't need to hesitate  
This is the night  
This is the night  
This is the time, we've got to get it right  
(This is the night)  
Touch me, touch me  
I want to feel your body  
Your heartbeat next to mine  
(This is the night)  
Touch me, touch me now  
Quick as a flash you disappeared into the night  
Did I hurt you boy  
Didn't I treat you right  
You made me feel so good, made me feel myself  
Now I'm alone and you're with somebody else  
This is the night  
This is the night  
This is the time, we've got to get it right  
(This is the night)  
Touch me, touch me  
I want to feel your body  
Your heartbeat next to mine  
(This is the night)  
Touch me, touch me now  
Touch me, touch me now  
Touch me, touch me now  
Hot and cold emotion, confusing my brain  
I could not decide, between pleasure and pain  
Like a tramp in the night, I was begging for you  
To treat my body like you wanted to  
Oh, Oh  
Oh, Oh  
Oh, I was begging for you

Touch me, touch me  
I want to feel your body  
Your heartbeat next to mine  
(This is the night)  
'Cause I want your body  
All the time  
Ah, touch me, touch me, touch me  
(This is the night)  
Touch me, touch me  
I want to feel your body  
(This is the night)  
I want to feel your body  
(This is the night)
