Touch Me - Samantha Fox

Full moon in the city and the night was young I was hungry for love, I was hungry for fun I was hunting you down, and I was the bait When I saw you there, I didn't need to hesitate This is the night This is the night This is the time, we've got to get it right (This is the night) Touch me, touch me I want to feel your body Your heartbeat next to mine (This is the night) Touch me, touch me now Quick as a flash you disappeared into the night Did I hurt you boy Didn't I treat you right You made me feel so good, made me feel myself Now I'm alone and you're with somebody else This is the night This is the night This is the time, we've got to get it right (This is the night) Touch me, touch me I want to feel your body Your heartbeat next to mine (This is the night) Touch me, touch me now Touch me, touch me now Touch me, touch me now Hot and cold emotion, confusing my brain I could not decide, between pleasure and pain Like a tramp in the night, I was begging for you To treat my body like you wanted to Oh, Oh Oh, Oh

Oh, I was begging for you

Touch me, touch me
I want to feel your body
Your heartbeat next to mine
(This is the night)
'Cause I want your body
All the time
Ah, touch me, touch me, touch me
(This is the night)
Touch me, touch me
I want to feel your body
(This is the night)
I want to feel your body
(This is the night)
