

Oh My Gawd – Sammie

Oh my gawd, I've never seen a bottom like
This
See the way she hula-hoop, come and jump on
Like this
See the junk in the trunk, I had to bag her
Right quick
Feel like magic all together, multiplied by
Six
Oh my gawd, I've never seen a bottom like
This
See the way she hula-hoop, come and jump on
Like this
See the junk in the trunk, I had to bag her
Right quick
Feel like magic all together, all together by
Six
She say she got a partner, me, I got one
But me wan 'tap, what a conundrum
Never seen a girl, wey give me vibes, suh
Never seen a girl with biggie bum-bum
You know me got a lot of girls around me
Steady give them love, give them the honey
And that is why they love to, love to, love
Me (ay-ya-yaya)
Knock knock, guess who's coming to dinner?
Fred, Mr Eazi, Major Lazer in a Beamer
Guess who's coming to dinner?
Oh, nah, nah, nah, nah (Zagadat)
You nuh say you got what me want
And I'ma give you whatever you want
So, baby, come give me some love
Oh, nah, nah, nah, nah
Oh my gawd, oh my gawd, oh my gaw-gawd
I've never seen a bottom like this
Oh my gawd, oh my gawd, oh my gaw-gawd
I've never seen a bottom like this

Oh my gawd, oh my gawd, oh my gaw-gawd
I've never seen a bottom like this
Mi tell dem man is not a issue, cuh mi pum

And if I'm wit 'my Barbie dolls, you know the

Stranger, looking for some danger
Ride it like a bad gyal, face of a angel
This one here ah Major, UK out to Asia
Pull out in the Range, got him beepin 'like
A pager (oop)
You nuh say I'ma give you what you want
(what you want)
You know I got a body you could flaunt

You let me come first, I'm in the front
He like kickin 'it with Chun', I'ma diss him
When I'm done
'Cause I'm back in my bag
Throw your rag, throw your flag
And I'm runnin 'up the tab' cause I love
Poppin 'tags

The club
He said, "Knock knock," I said,
