

Just Like Diamonds – Sandra

Fade away
My time in slow motion
Any day
When I hear you call
I tremble deep inside
Means love
Tonight
Jesus handed down his love
An' cried
Precious diamonds
You said you'd love me
I saw your eyes
Shine like diamonds
An' my tears are nothing more
Than a dream
Just like diamonds
Heard a song
My face on your shoulder
For so long
I could hear this song
It lingers in my heart
Means love
Tonight
Jesus handed down his love
An' cried
Precious diamonds
You said you'd love me
I saw your eyes
Shine like diamonds
An' my tears are nothing more
Than a dream
Just like diamonds
My heart feels love tonight
Jesus handed down his love
An' cried
Precious diamonds

You said you'd love me
I saw your eyes
Shine like diamonds
Jesus handed down his love
An' cried
Precious diamonds
You said you'd love me
I saw your eyes
Shine like diamonds
Jesus handed down his love
An' cried
Precious diamonds
You said you'd love me
I saw your eyes
Shine like diamonds
Your eyes
Keep shinin'
Just like diamonds
Your eyes
Keep shinin'
Just like diamonds
Your eyes
Keep shinin'
Just like diamonds
Your eyes
Keep shinin'
Just like diamonds
Your eyes
Keep shinin'
Just like diamonds
Your eyes
Keep shinin'
Just like diamonds
