

# Just Like Diamonds – Sandra

Fade away  
My time in slow motion  
Any day  
When I hear you call  
I tremble deep inside  
Means love  
Tonight  
Jesus handed down his love  
An' cried  
Precious diamonds  
You said you'd love me  
I saw your eyes  
Shine like diamonds  
An' my tears are nothing more  
Than a dream  
Just like diamonds  
Heard a song  
My face on your shoulder  
For so long  
I could hear this song  
It lingers in my heart  
Means love  
Tonight  
Jesus handed down his love  
An' cried  
Precious diamonds  
You said you'd love me  
I saw your eyes  
Shine like diamonds  
An' my tears are nothing more  
Than a dream  
Just like diamonds  
My heart feels love tonight  
Jesus handed down his love  
An' cried  
Precious diamonds

You said you'd love me  
I saw your eyes  
Shine like diamonds  
Jesus handed down his love  
An' cried  
Precious diamonds  
You said you'd love me  
I saw your eyes  
Shine like diamonds  
Jesus handed down his love  
An' cried  
Precious diamonds  
You said you'd love me  
I saw your eyes  
Shine like diamonds  
Your eyes  
Keep shinin'  
Just like diamonds  
Your eyes  
Keep shinin'  
Just like diamonds  
Your eyes  
Keep shinin'  
Just like diamonds  
Your eyes  
Keep shinin'  
Just like diamonds  
Your eyes  
Keep shinin'  
Just like diamonds  
Your eyes  
Keep shinin'  
Just like diamonds  
Your eyes  
Keep shinin'  
Just like diamonds
