Secret Land – Sandra

(I remember Leaves were fallin' down In St Germain It was a cold November You went away And I got a dream)

Nobody knows who I am Maybe you would understand Anybody knows what I am Out in a secret land Nobody knows how I try Not to tell another lie Anybody knows in the end I'll find a secret land

I need you I feel you I can't life without you So long

I know that We parted I'll stay in this town Cause I miss you so

I feel it I mean it The secret that I'm gonna show

An'd I turn back I see that All my love had to fail But I miss you so Nobody knows who I am Maybe you would understand Anybody knows what I am Down in a secret land Nobody knows how I try Not to tell another lie Anybody knows in the end I'll find a secret land

Nobody knows who I am Maybe you would understand Anybody knows what I am Down in a secret land Nobody knows how I try Not to tell another lie Anybody knows in the end I'll find a secret land

(I need you I feel you I can't life without you So long Cause I miss you so)

Nobody knows who I am Maybe you would understand Anybody knows what I am I'll find a secret land

Nobody knows who I am Maybe you would understand Anybody knows what I am Down in a secret land Nobody knows how I try Not to tell another lie Anybody knows in the end I'll find a secret land

Nobody knows who I am Maybe you would understand Anybody knows what I am Down in a secret land Nobody knows how I try Not to tell another lie Anybody knows in the end I'll find a secret land

Nobody knows who I am Maybe you would understand Anybody knows what I am Down in a secret land Nobody knows how I try Not to tell another lie Anybody knows in the end I'll find a secret land
