

# Breathe again – Sara Bareilles

Car is parked, bags are packed,  
But what kind of heart doesn't look back  
At the comfortable glow from the porch,  
The one I will still call yours?  
All those words came undone and now  
I'm not the only one  
Facing the ghosts that decide  
if the fire inside still burns

All I have,  
All I need,  
He's the air  
I would kill to breathe  
Holds my love in his hands,  
Still I'm searching for something  
Out of breath,  
I am left hoping someday  
I'll breathe again  
I'll breathe again

Open up next to you  
And my secrets become your truth  
And the distance between  
that was sheltering me comes in full view  
Hang my head,  
Break my heart built from all I have torn apart  
And my burden to bear is a love  
I can't carry anymore

All I have,  
All I need,  
He's the air I would kill to breathe  
Holds my love in his hands,  
Still I'm searching for something

Out of breath,

I am left hoping someday  
I'll breathe again

It hurts to be here  
I only wanted love from you  
It hurts to be here  
What am I gonna do?

All I have,  
All I need,  
He's the air I would kill to breathe  
Holds my love in his hands,  
Still I'm searching  
All I have,  
All I need,  
He's the air I would kill to breathe  
Holds my love in his hands,  
Still I'm searching for something  
Out of breath, I am left hoping someday  
I'll breathe again  
I'll breathe again
