Now the time has coming, I'm telling

It's definitely you that I'm wanting

Boom, boom, boom I hear you knocking

Every time you leave I start crying

(don't cry)

Kiss me on the left, kiss me on the right

With your uh uh, boy

You make me happy all night

Boom, boom, boom my heart's going

All I want to do is stay in bed with you

Hey yeah, get down

'Cause all you're gonna give

You'll get back from me

(you'll get back to me)

Hey yeah, get down

(we ain't playin' baby)

(let's get back into bed, baby)

Monday until Sunday we take for the foreplay

Let's get back to bed, boy

(come on)

April 'til November I will kiss you tender

Let's get back to bed, boy

(come on)

Let's get back to bed, boy
Morning until evening
You should not be leaving
Let's get back to bed, right now
(yeah, that's right)
Now you understand how I'm feeling
(yeah)
It's definitely love that I'm needing
(that's right)
Boom, boom, boom my heart's beating
We better stay in bed
(look here)
I know what you can do
You say you want to go to bed, baby
Well, I'll happily oblige
Been gone for a while
But now I'm back inside
Droptop Benz with hot boys on the side
Pull up to the dough, we drove for you and I
Miss Sarah, I want to wear you
Like a Gucci sweater
But to get you all alone in a thong
I'd do whatever
Get me off a bottle of Dom, I do it better
Wake up in the morning, baby
Stuck together you and I
Hey yeah, get down
(get down)
'Cause all you're gonna give
You'll get back from me
(you'll getting back from me)
Hey yeah, get down
(no more playin', baby)
(let's get back to bed, baby)
