## Let's Get Back to Bed Boy – Sarah Connor ft. TQ

What up?
It's your boy TQ
Still keepin' it gangsta 'round the world
With my girl Sarah
Brand new diva
Westside
Put your hands together
We're comin' on a whole new level
Let's get back to bed, boy
(yeah)
Let's get back to bed, boy
(give it up)
Now the time has coming, I'm telling
It's definitely you that I'm wanting
Boom, boom I hear you knocking
Every time you leave I start crying
(don't cry)
Kiss me on the left, kiss me on the right
With your uh uh, boy
You make me happy all night
Boom, boom my heart's going
All I want to do is stay in bed with you
Hey yeah, get down
'Cause all you're gonna give
You'll get back from me
(you'll get back to me)
Hey yeah, get down
(we ain't playin' baby)
(let's get back into bed, baby)
Monday until Sunday we take for the foreplay
Let's get back to bed, boy
(come on)
Let's get back to bed, boy
April 'til November I will kiss you tender
Let's get back to bed, boy

(come on)

Let's get back to bed, boy
Morning until evening
You should not be leaving
Let's get back to bed, right now

(yeah, that's right)
Now you understand how I'm feeling

(yeah)

It's definitely love that I'm needing

(that's right)

Boom, boom, boom my heart's beating

We better stay in bed

(look here)

I know what you can do

You say you want to go to bed, baby

Well, I'll happily oblige

Been gone for a while

But now I'm back inside

Droptop Benz with hot boys on the side

Pull up to the dough, we drove for you and I

Miss Sarah, I want to wear you

Like a Gucci sweater

But to get you all alone in a thong

I'd do whatever

Get me off a bottle of Dom, I do it better

Wake up in the morning, baby

Stuck together you and I

Hey yeah, get down

(get down)

'Cause all you're gonna give

You'll get back from me

(you'll getting back from me)

Hey yeah, get down

(no more playin', baby)

(let's get back to bed, baby)

Monday until Sunday we take for the foreplay

Let's get back to bed, boy

(come on)

Let's get back to bed, boy

April 'til November I will kiss you tender
