

# To The Moon and Back – Savage Garden

She's taking her time making up the reasons  
To justify all the hurt inside  
Guess she knows from the smiles and the  
Look in their eyes  
Everyone's got a theory about the bitter one  
They're saying  
Mama never loved her much  
And daddy never keeps in touch  
That's why she shies away from human  
Affection  
But somewhere in a private place  
She packs her bags for outer space  
And now she's waiting for the right  
Kind of pilot  
To come (and she'll say to him)  
She's saying  
I would fly you to the moon and back  
If you'll be if you'll be my baby  
Got a ticket for a world where  
We belong  
So would you be my baby  
Ooh-oo  
She can't remember a time  
When she felt needed  
If love was red then she was colour-blind  
All her friends they've been tried  
For treason  
And crimes that were never defined  
She's saying  
Love is like a barren place  
And reaching out for human faith is  
Is like a journey I just don't have a map for  
So baby gonna take a dive and push the  
Shift to overdrive  
Send a signal that she's hanging all her  
Hopes on the stars

(What a pleasant dream) just saying  
I would fly you to the moon and back  
If you'll be if you'll be my baby  
Got a ticket for a world where  
We belong  
So would you be my baby  
Ooh-oooh  
I would fly you to the moon and back  
If you'll be if you'll be my baby  
Got a ticket for a world where  
We belong  
So would you be my baby  
Ooh-oooh
